Parents:

For parties, each committee will meet about a week before the date of the party to plan for each person on that committee to bring a 2-liter (or juice or punch), chips or crackers, and sweet treat to share. That way, the cost is more equal. I will provide the napkins/cups/plates.

Generics and substitutions are completely fine. This year, all food must be pre-packaged from the store (no homemade goodies).

The first party is scheduled for **Spring Fling (date TBA in May)**

Each person on the committee will bring home a paper listing their choices along with everyone else's.

Thank you in advance!

A Note on Participation Grades

In all subjects, students will occasionally earn participation grades--cooperation with others, work shown, & following directions are the main criteria to be considered. This is especially true for in-class work--if a student is absent, they'll receive a "no-count" in Skyward.

Please remind
your child to use
his/her planner at
home—it is meant
to be checked &
rechecked to
ensure all
assignments are
completed

Students will be
filling-in their
planners EVERY
DAY, taking them
home, and
checking them
for work or
reminders.

Accelerated Reader

Remember: AR reading is not just about points—it's also about challenging one's self on the level of complexity of the books!

IMPORTANT!! Daily Novel Reading is an expectation for 6th. Consider it a daily assignment. Signed bookmarks upon completion of novels will be counted in Mrs. Scott's reading class.

Happy reading!! ☺

Skyward offers an excellent opportunity to “keep a tab on” your child’s work. Please obtain your password from the office and utilize this essential component of your child’s education. Late assignments are listed there, along with tardiness and grades.

Be sure to check your message center for notices from your child’s teachers!
