## our learning

### Reading

The week we will be reading "Saturday's and Teacakes". Our focus for the week will be creating a mental image.

### Math

We continue our study of multiplication and division. We will also begin using tape diagrams to help develop understanding.

### Language

This week we will dive into common and proper nouns. We will practice this skill in our writing this week.

### Writing

We finished publishing our first piece! This week launches week 2 of our write on writing boot camp.

## homework

- Read for 20 minutes
- Math lessons 11-13

## birthdays

- None this week

## Reminders

- We use our chrome books everyday 😊 if you have not sent headphones we would appreciate it if you could soon.

## book recommendations
