

Fall, 2023

Parents:

Students who wish to play chess for fun with schoolmates (after turning-in a permission slip) will meet in the cafeteria on scheduled WEDNESDAY mornings, 7:15-7:45 am; the schedule will be handed-out at the first meeting, Sept. 13. The schedule will also be posted on my school webpage. If your child eats school breakfast, they'll still be able to enjoy their meal.

If your child is interested in joining Chess Club, please fill-in, sign, and detach the permission slip below and have your child hand it to Mrs. Scott by the first chess day, Sept. 13.

I give my child permission to participate in Chess Club. I understand Chess Club will meet on scheduled Wednesdays, 7:15-7:45 am in the cafeteria. By agreeing to join, the student is aware that he/she must stay in the designated area of the cafeteria for the scheduled time. Acceptable behavior is expected.
